The screenshot displays the Belkasoft Evidence Center - Embedded application window. The main area is a Task Manager window with a table of tasks. The table has five columns: Task, % completed, Status, Time, and Elapsed. A red box highlights the Status column, which contains the text 'Operation completed successfully' for most tasks, and 'Operation completed with errors' for one task. The tasks listed include exporting history for various profiles and extracting history for different applications like Thunderbird, Video Analyzer, PCAP File Analyzer, and Skype. At the bottom of the window, there are three buttons: 'Cancel all', 'Cancel task', and 'View task log'. The status bar at the bottom left shows '30 images found'.
